International Conference on Ayurveda - A way forward for wellness: Viksit Bharat 2047

Chief Patron

Prof. (Dr.) Atul Kumar Nasa
President of Indian Pharmacy
Graduates Association (IPGA),
Former Deputy Drugs Controller,
Pro. Vice-Chancellor, SGT University

Chief Patron

Dr. Anil Sharma
Professor & Dean
FIMS (Ayurveda)
SGT University

Patron

Prof. (Dr.) Vijay Bhalla
Dean, Industry Collaborations
& Internship Affairs, SGT
University (Shree Guru Gobind
Singh Tricentenary University),
Gurugram, Haryana

Chairperson

Prof. (Dr.) M. Shahar Yar
Professor, Department of
Pharmaceutical Chemistry,
SPER, Jamia Hamdard, New Delhi

Convenor

Prof. (Dr.) Lal Ratnakar Singh
Principal
Dharam Samaj College of
Pharmacy, Aligarh

Convenor

Prof. (Dr.) Rakesh Kumar
Director, Faculty of Pharmacy,
BSA College of Engineering &
Technology, Mathura

Convenor

Dr. Anil Bhardwaj
Asso. Prof., Rasa Shastras and
Bhasajaya Kalpna
Gaur Brahman Ayurvedic College and
Hospital, Brahamanwas, Rohtak

Organizing Secretary

Prof. (Dr.) Sanjar Alam
Principal, R.V. Northland Institute
(Pharmacy), Gautam Budh Nagar
Uttar Pradesh

Speaker

Dr. Vijay Pal Singh
Assistant Professor (AcSIR)
& STO, CSIR-Institute of Genomics
and Integrative Biology, New Delhi

Speaker

Dr. Sushma Talegaonkar
Professor,
DPSRU, New Delhi

Speaker

Dr. Venkata N Joshi
Director, Association
of Ayurveda Academy,
London-UK

Panelist

Dr. Chandra Kant Katiyar
Advisor and CEO Health Care
(Technical) Emami Ltd.

Panelist

Dr. Anil Kumar Sharma
Vice President,
AIMIL Pharmaceuticals
(India) Ltd.

Panelist

Dr. Ghazala Javed
Assistant Director (Unani)
Central Council for Research in
Unani Medicine

Panelist

Prof. (Dr.) Vidhu Aeri
Professor
SPER, Jamia Hamdard,
New Delhi

Panelist

Dr. Khurshed Ahmad Ansari
Professor & HOD
School of Unani Medical
Education and Research

Panelist

Prof. (Dr.) Satyendra K. Rajput
Head-Department of Pharmaceutical
Sciences, Gurukul Kangri
(Deemed to be University, Haridwar)

Panelist

Dr. Ramanpreet Walia
Professor
Amity Institute of Pharmacy,
Amity University, Noida, U.P.

International Panelist

Prof. (Dr.) Neeraj Kumar Fuloria
Professor,
Faculty of Pharmacy,
AIMST University, Malaysia

International Panelist

Vr. Agasthia Rathy
MISAA Secretary, Chief Siddha
Practitioner Agasthiar Siddha
Medical Centre, Malaysia

International Panelist

Vr. Dr. G.S. Muniandy
President Pertubuhan
India Siddha Ayurveda
Malaysia Association

Moderator

Prof. (Dr.) Zeenat Iqbal
Professor, SPER,
Jamia Hamdard, New Delhi

MISAA

Organizing Committee

Dr. Manvi Singh

Department of Pharmaceutics,
SGT University, Gurugram

Mr. Shivam Vashist

Department of Pharmacology, SGT University,
Gurugram

Ms. Sunita

P.R.S Educational Trust

Mr. Ashish Verma

P.R.S Educational Trust

Ms. Akanksha Sharma

P.R.S Educational Trust

Advisory Committee

Chairperson

Snr. Assoc. Prof. (Dr.) Shivkanya Fuloria

Faculty of Pharmacy, AIMST University, Malaysia

Members

Prof. (Dr.) Vetriselvan Subramaniyan

Deputy Dean, (Internationalisation), Department
of Biomedical Sciences, Sir Jeffrey Cheah
Sunway Medical School, Faculty of Medical and
Life Sciences, Sunway University, Malaysia

Prof. (Dr.) Sokindra Kumar

Subharti University, Meerut

Dr. Arvind Pai

Pharmaceutical Chemistry, Manipal College of
Pharmaceutical Sciences, Manipal University,
Manipal

Prof. (Dr.) Ashok Gupta

Sharda University, Greater Noida

Prof. Sachin Tyagi

Director, Bharat Institute of Technology, School
of Pharmacy, Meerut

Dr. Manu Sharma

Associate Professor, Department of Pharmacy,
Banasthali Vidyapith

Dr. Garima Garg

Professor and HOD, IIMT College of Medical
Sciences, IIMT University, Meerut

Prof. (Dr.) Md Niyaz Alam

Principal, LBKPC, Saharsa, Bihar

Advisory Committee

Prof. (Dr.) Mamta Dhingra

Principal, Bihar college of Pharmacy, Patna

Dr. Shivli Nomani

Principal, SNS College of Pharmacy, Motihari

Prof. (Dr.) Saumendu Deb

Dean, Mata Gujri College of Pharmacy, Maata
Gujri University, Bihar

Mr. Md Imtayaz Alam

Associate Professor

School of Pharmacy, Al-Karim University, Katihar,
Bihar

Mr. Md Perwaiz Alam

Associate Professor

Radiant Institute of Pharmaceutical Sciences,
Kishanganj, Bihar

Dr. Anuj Kumar Sharma

Professor & Dy. Dean

IIMT College of Medical Science,

IIMT University, Meerut

Scientific Committee

Chairperson

Prof. (Dr.) Md. Aftab Alam

Dean cum Principal

SOP, Katihar Medical College Campus,

Al-Karim University, Katihar, Bihar

Co-Chairperson

Prof. Dr. Dharmendra Kumar

Dean cum Principal

Narayan Institute of Pharmacy

Gopal Narayan Singh University, Jamuhar,

Sasaram, Bihar

Members

Prof. (Dr.) GSN Koteswar Rao

Dept. of Pharmaceutics, Shobhaben Pratapbhai

Patel School of Pharmacy & Technology

Management, Mumbai

Prof. (Dr.) Vikesh Shukla

P. R. S. Educational Trust

The Pharmacy education in India is plagued by significant obstacles and defects in this specialised and globalised world. There seems to be an immediate need to start an academic activity to achieve curriculum revision that keeps up with current and upcoming developments in the Pharmacy profession. All around the world, innovation has taken on a guiding role in every facet of life. A country's capacity to develop and utilise knowledge capital impacts its ability to empower and enable its people by enhancing human capacities. Despite unceasing success in pharmaceutical research and education, there are still unclear ideas about how to educate youngsters in the current environment. The absence of learning opportunities, traditional teaching methods, a lack of clarity about the future, and a lack of a clear path or set of goals have caused uncertainty and delirium among the students in the current context. The P.R.S Educational Trust was established in 2016 by Smt. Pramod Sharma and a group of enthusiastic, hardworking, and workaholic individuals with the sole purpose of putting value-based education within everyone's grasp. By offering career development opportunities, education and training, certification programmes, publications that share knowledge, networking opportunities, and other important resources, P.R.S Educational Trust supports and promotes the health care industry as a whole as well as emerging professionals.

P.R.S is an international membership organisation of pharmaceutical professionals who are committed to elevating the profession and giving the Pharma/healthcare community the greatest level of support, information, guidance, and standards. P.R.S members are professionals who play crucial roles in many of the rapidly expanding fields of biotechnology, pharmaceuticals, and medical devices. By offering career advancement opportunities, education and training, certificates, knowledge-sharing, publishing, networking, and other important resources, P.R.S assists the healthcare sector and developing professionals as a whole.

The Indian Pharmacy Graduate's Association (IPGA)

The Indian Pharmacy Graduate's Association (IPGA) is a leading professional body committed to advancing pharmaceutical education, research, and practice across India. Founded with a clear vision of elevating the pharmacy profession, IPGA unites pharmacy graduates, educators, researchers, industry professionals, and healthcare experts under one roof fostering meaningful knowledge exchange and continuous professional growth. The association is deeply invested in raising the standards of pharmaceutical education while championing innovation in drug research, development, and healthcare delivery. Through conferences, workshops, seminars, and hands-on training programs, IPGA equips pharmacists and students alike with the insights and skills needed to keep pace with a rapidly evolving industry. Beyond academics, IPGA serves as a vital bridge between educational institutions, industry stakeholders, and regulatory authorities. The association actively nurtures the next generation of pharmacy professionals by creating pathways for scientific research, practical skill-building, and professional networking. With a strong commitment to improving healthcare systems and pharmaceutical services, IPGA continues to contribute significantly to the growth of the pharmacy profession while supporting initiatives that integrate traditional knowledge systems and modern scientific advancements for the betterment of global health.

The Malaysian Indian Siddha Ayurveda Association (MISAA)

The Malaysian Indian Siddha Ayurveda Association (MISAA) is a professional organization dedicated to preserving, promoting, and advancing the ancient healing traditions of Siddha and Ayurveda in Malaysia. The association serves as an important platform that connects practitioners, researchers, educators, and healthcare professionals who are committed to strengthening Traditional Indian Medicine and integrating it with contemporary healthcare practices. MISAA works actively to promote authentic Ayurvedic and Siddha treatments, herbal medicine practices, and holistic wellness approaches. The organization also focuses on education, research, and awareness initiatives that help both practitioners and the public better understand the benefits of traditional healing systems. The association collaborates with government bodies, non-governmental organizations, and traditional

International Conference on **Ayurveda - A way forward for wellness: Viksit Bharat 2047**

medicine practitioners to develop policies, encourage professional standards, and promote sustainable healthcare practices. MISAA also fosters collaboration with other Asian traditional medicine systems, including Chinese, Malay, Thai, and Indonesian healing traditions, creating a more comprehensive and culturally integrated healthcare framework. Through workshops, continuing medical education programs, research initiatives, training courses, and community outreach activities, MISAA aims to empower practitioners, support professional development, and expand the recognition of traditional medicine in Malaysia and internationally. By bridging traditional knowledge with modern healthcare approaches, MISAA plays an important role in advancing holistic wellness and strengthening the global relevance of Siddha and Ayurveda.

About Conference

The International Conference on **“Ayurveda–A Way Forward for Wellness: Viksit Bharat 2047”** aims to bring together academicians, researchers, healthcare professionals, policymakers, and industry experts to explore the transformative potential of Ayurveda in building a healthier and sustainable future. As India moves toward the vision of Viksit Bharat 2047, traditional knowledge systems such as Ayurveda are gaining renewed global attention for their holistic approach to health, prevention, and wellness.

This conference will provide a dynamic platform for interdisciplinary dialogue on integrating Ayurvedic principles with modern healthcare practices, pharmaceutical research, and public health strategies. The event will focus on recent advancements in Ayurvedic research, evidence-based medicine, herbal drug development, integrative healthcare models, and innovations in wellness technologies.

Through keynote lectures, panel discussions, and research presentations, the conference seeks to encourage collaboration between academia, healthcare institutions, and industry stakeholders. The hybrid mode of participation will ensure wider engagement from national and international participants.

By fostering knowledge exchange and scientific discussions, the conference aims to highlight Ayurveda as a powerful contributor to preventive healthcare, sustainable medicine, and the global wellness movement aligned with the vision of a developed India by 2047.

Learning Objectives

The conference is designed to achieve the following learning objectives:

- To understand the fundamental principles and contemporary relevance of Ayurveda in modern healthcare systems.
- To explore recent scientific advancements and research developments in Ayurvedic medicine and herbal therapeutics.
- To discuss the integration of Ayurveda with modern pharmaceutical sciences, lifescience, and healthcare innovations.
- To encourage interdisciplinary collaboration among researchers, academicians, practitioners, and industry professionals.
- To provide a platform for young researchers and students to present innovative ideas and research findings.
- To highlight the contribution of Ayurveda toward achieving holistic health and wellness for the vision of Viksit Bharat 2047.

Expected Benefits and Outcomes

The conference is expected to generate meaningful academic and professional outcomes for participants and stakeholders in the healthcare and pharmaceutical sectors.

Participants will gain deeper insights into emerging research trends, innovative therapeutic approaches, and evidence-based applications of Ayurveda in modern healthcare. The event will also

MISAA

facilitate knowledge exchange and networking opportunities among experts from academia, industry, and healthcare organizations.

The conference will help promote collaborative research initiatives, interdisciplinary partnerships, and policy discussions aimed at strengthening Ayurveda's role in global healthcare systems. Young researchers and students will benefit from exposure to expert perspectives, enabling them to develop innovative research directions and career opportunities.

The conference will contribute to raising awareness about the importance of preventive healthcare, natural therapeutics, and sustainable wellness practices. The discussions and outcomes of the conference are expected to support the development of strategies that integrate traditional knowledge with scientific innovation, thereby contributing to the national vision of Viksit Bharat 2047.

CALL FOR ORAL AND POSTER PRESENTATION

International Journal of Pharma Professional's Research (IJPPR)

ISSN (Online): 0976-6723

(A Peer Reviewed Journal of Pharmacy)

ISSN (print): 2249-3948

- Pharmaceutical Technology
- Medicinal Chemistry
- Pharmacology
- Pharmacognosy
- Ayurveda
- Life sciences (Medical + Nursing)

Delegates are requested to send their abstracts via email to conference.prseducationaltrust@gmail.com on or before 14-04-2026. The abstract should not exceed 200 words and must be typed in Times New Roman (font size 12), title should be bold case (font size 14), full name of authors followed by their affiliations in (Font size 12). The presenting authors name should be in bold and marked with asterik followed by full affiliation and email address. It is mandatory for the presenting author to be registered

Instructions for Oral Presentation

- Oral Presentation will be in Hybrid Mode.
- The time limit for oral presentation will be 5 minutes followed by discussion for 2 minutes.
- Number of slides must be in between 5-8.
- It is highly recommended that only one presenter will present the oral presentation.

Instructions for Poster Presentation

- Only e-poster will be applicable.
- The time limit for poster presentation will be 3 minutes followed by discussion for 2 minutes.
- File format-PDF file- 1 page recommended.

Note: Candidate must share their abstract before 14th April 2026 on conference.prseducationaltrust@gmail.com (Who not submitted their abstract in Google Form)

Online presentation will be scheduled between 15-17th April 2026 and Offline presentation will be done on 18th April 2026

REGISTRATION DETAILS

Category	Registration Till 17 th April 2026

**P.R.S Educational Trust
Director's Message**

It gives me immense pleasure to extend my warm greetings to all the distinguished speakers, academicians, researchers, healthcare professionals, and students participating in the International Conference on "Ayurveda – A Way Forward for Wellness: Viksit Bharat 2047".

Ayurveda, one of the world's oldest holistic healing systems, continues to offer valuable insights into preventive healthcare, wellness, and sustainable living. In the present era, where lifestyle disorders and chronic diseases are increasingly prevalent, the integration of traditional wisdom with modern scientific research has become more important than ever. This conference aims to provide a meaningful platform for knowledge sharing, dialogue, and collaboration among experts from diverse disciplines who are committed to advancing healthcare and wellness through innovative approaches.

At P.R.S Educational Trust, we strongly believe in promoting academic excellence, research, and interdisciplinary collaboration in the fields of pharmacy, healthcare, and allied sciences. Through this conference, we seek to encourage constructive discussions on the role of Ayurveda in achieving a healthier society and contributing to the national vision of Viksit Bharat 2047.

I sincerely hope that this conference will inspire new ideas, foster collaborations, and open new avenues for research and innovation in Ayurvedic and integrative healthcare. I extend my heartfelt appreciation to all the organizers, collaborators, speakers, and participants for their valuable contributions and wish the conference great success.

Dr. Akhil Sharma
Director, PRS Education Trust
